**AUTHENTIC CHORDS  
ORIGINAL KEYS  
COMPLETE SONGS**

Strum It is the series designed especially to get guitarists playing (and singing!) along with their favorite songs. The idea is simple: the songs are arranged using their original keys in lead sheet format, and include the chords for each song, beginning to end. The melody and lyrics are also shown to help players keep their spot and sing along. Perfect for players who want to play along with the original recordings.
